In December, three dollars and forty-four cents remaining from the expenses of a local reception was given the library and used towards paying an assistant.

On the first of October, Miss Charlotte R. Garvin, who has been such a satisfactory librarian during her four years of service, left for Newark, New Jersey, to engage in library work there. Fortunately her sister, Miss Clara M. Garvin, at once took her place, so our excellent library has continued without interruption.

LILIAN S. EDWARDS,
Treasurer Library Trustees.

To the Trustees of the Wakefield Free Library, I submit the following report:

The library has been open two days a week throughout the year. We have patrons enrolled to the number of 201 persons. We have 2,284 bound volumes, and our circulation for the year ending Feb. 1, 1923, was 4,814. This shows a decrease from last year, which may be accounted for, by the fact that many of our readers have left town.

During the year we added 110 volumes, 55 of which were gifts. We have had 30 volumes rebound. Our reading table has been supplied with 15 current magazines, 7 of which were gifts to the library. We have also had a small gift of money.

Books have been borrowed for our readers from the Wakefield Public Library, and from the State Library. Postage on these books has been paid from the fines. Books have been loaned to the Union Library, and we also maintain three stations.

In January a moving picture benefit was given for the library, which yielded \$7.58, which will be used for children's books, of which we are always in need.

A new feature of the work has been story telling. Through the kindness of the teachers the librarian has been allowed to tell stories in the schools. Ten school visits have been made.

CLARA M. GARVIN.

Librarian.

LIBRARIAN'S REPORT

To the Library Trustees of the Town of Wakefield:

I present the following report for the year ending February 15, 1923:

The library during the past year has been open for the distribution of books one day a week, Saturday afternoon. We have served directly fifty persons who have availed themselves of the opportunity of borrowing books.

We have obtained books from the Sanbornville library, also the Dow library, which have been greatly enjoyed by the readers.

The reading table has been supplied by liberal donations by the patrons.

With our 1921 appropriation from the town there were 150 books purchased. The greater class of books purchased were fiction. The entire circulation for the year is 4,000 volumes, of which 200 are juvenile.

RUTH M. MORRISON,
Librarian.

Feb. 17th, 1922, a health entertainment was given to all the school children by the Jolly Jester of the Child Health Organization in New York. June 9th the children in Sanbornville gave a health entertainment at the Town Hall. A speaker was provided to speak to the mothers following the entertainment. Hygiene is taught in the form of talks and stories at stated periods. A milk lunch was served in one of the vil-

lage schools during the winter term and showed gratifying results.

Superintendent's Report

To the School Board of Wakefield:

Gentlemen:—I herewith submit my fourth annual report as superintendent of the schools of Wakefield. The statistics given are for the school year ending June 30, 1922, but the report will also deal with the present year.

STATISTICS FOR THE YEAR ENDING JUNE 30, 1922.

School	Teacher	Total number enrolled	Av. Membership	Per Cent. of Attendance	Number of Tardinesses
Union Grammar	Florence Thackleberry	27	25	94	31
Union Primary	Maud M. Whitehouse	37	34	94	13
Sanbornville 1 and 2	Abbie F. Tuttle	27	22	96	61
Sanbornville 3 and 4	Flora P. Brackett	32	29	97	43
Sanbornville 5 and 6	Helen M. Potter	33	31	95	26
Sanbornville 7 and 8	Julia H. Bishop	14	12	95	52
Wakefield Corner	Bernice G. Blaisdell	32	27	85	59
East Wakefield	Buelah E. Abbott	21	17	94	2
South Wakefield	Florence N. Hanson	4	2	96	0
Total Averages		227	199	94	287

The total number of pupils enrolled is 15 less than for the preceding year and the average membership is 11 less. The per cent. of attendance is one per cent. higher than for that year. There is a marked improvement in the number of instances of tardiness, the number here reported being only a little more than one-third as great as that reported one year ago.

ROLL OF PERFECT ATTENDANCE

ONE TERM

Olga Delan, Helenna Houde, Dorothy Clark, Joseph Paulawska, Norma Milliner, Alfred Drapeau, Frederick Garside, Eleanor Titcomb, Archie Dodier, Rupert Nichols, Dora Dodier, Armand Veno, Dorothy Otis, Edith Nason, Norton Leighton, Florence Stevens, Ruby Haynes, Annie Paulawska, Laura Dushano, Joseph Chypokas, Fabiola Ouelette, Frank Plummer, Edwin Piper, Reginald Stevens, Christina Hooper, Robert Hooper, Norris Sanborn, Omer Houde, Barbara Lang, Bernice McCrillis, Lettie Morrill, Marie Metzen, Lucy Chypokas, Evelyn Shea, Louise Hill.

TWO TERMS

Edith Kohler, Harold Garland, Romeo Jette, James Smart, Bernice Paulawska, Alfred Veno, Albert Tessier, Leonard Smart, Philip Hanson, Weston Kenney, Gertrude Leighton, Everett Wiggin, Rosa Dodier, Roual Tessier, Louis Traynor, Kenneth Clark.

FULL YEAR

Antonio Provencher, Hazel Drew, Charles Drew, Alfred Shea, Edith Traynor.

SCHOOL BUILDINGS

During the past summer steam heating plants have been installed in the Grammar School at Sanbornville and at Union, replacing the worn-out hot air furnaces in these two schools.

The Union building needs painting upon the outside, and both buildings at Sanbornville need painting both inside and out. I recommend that an appropriation be made sufficient to renovate the interiors of these two buildings and to paint the exterior of at least one building of the three. If this work be distributed over two or three years, it can be done without materially affecting the taxes.

TEACHERS

We are again fortunate in being able to retain the services of the teachers who have been with us in former years. Of the eight teachers now serving the District, six were with us last year. Five of this number have been teaching in Wakefield for three or more years. The schools have gained much by this continuous service.

HEALTH WORK

The health work in the schools has again been under the efficient direction of Mrs. Anna E. Clow, whose report is herewith submitted.

I would like to add a few words to what Mrs. Clow has said about the milk lunch which was served in one of the village schools last winter. A record

was made of the weights of the pupils in this school before we began to serve this lunch and again several weeks later. The results were very gratifying, for while several pupils were found to be under-weight at the time of the first weighing, all were fully up to standard before the experiment was ended. It is to be regretted that we have been unable to continue this practice this year and to extend it to other schools.

In conclusion I wish to express my thanks to the School Board for their support and consideration, to the teachers for their co-operation, and to the citizens for their cordiality.

Respectfully submitted,
FRED W. DUDLEY,
Superintendent of Schools.
